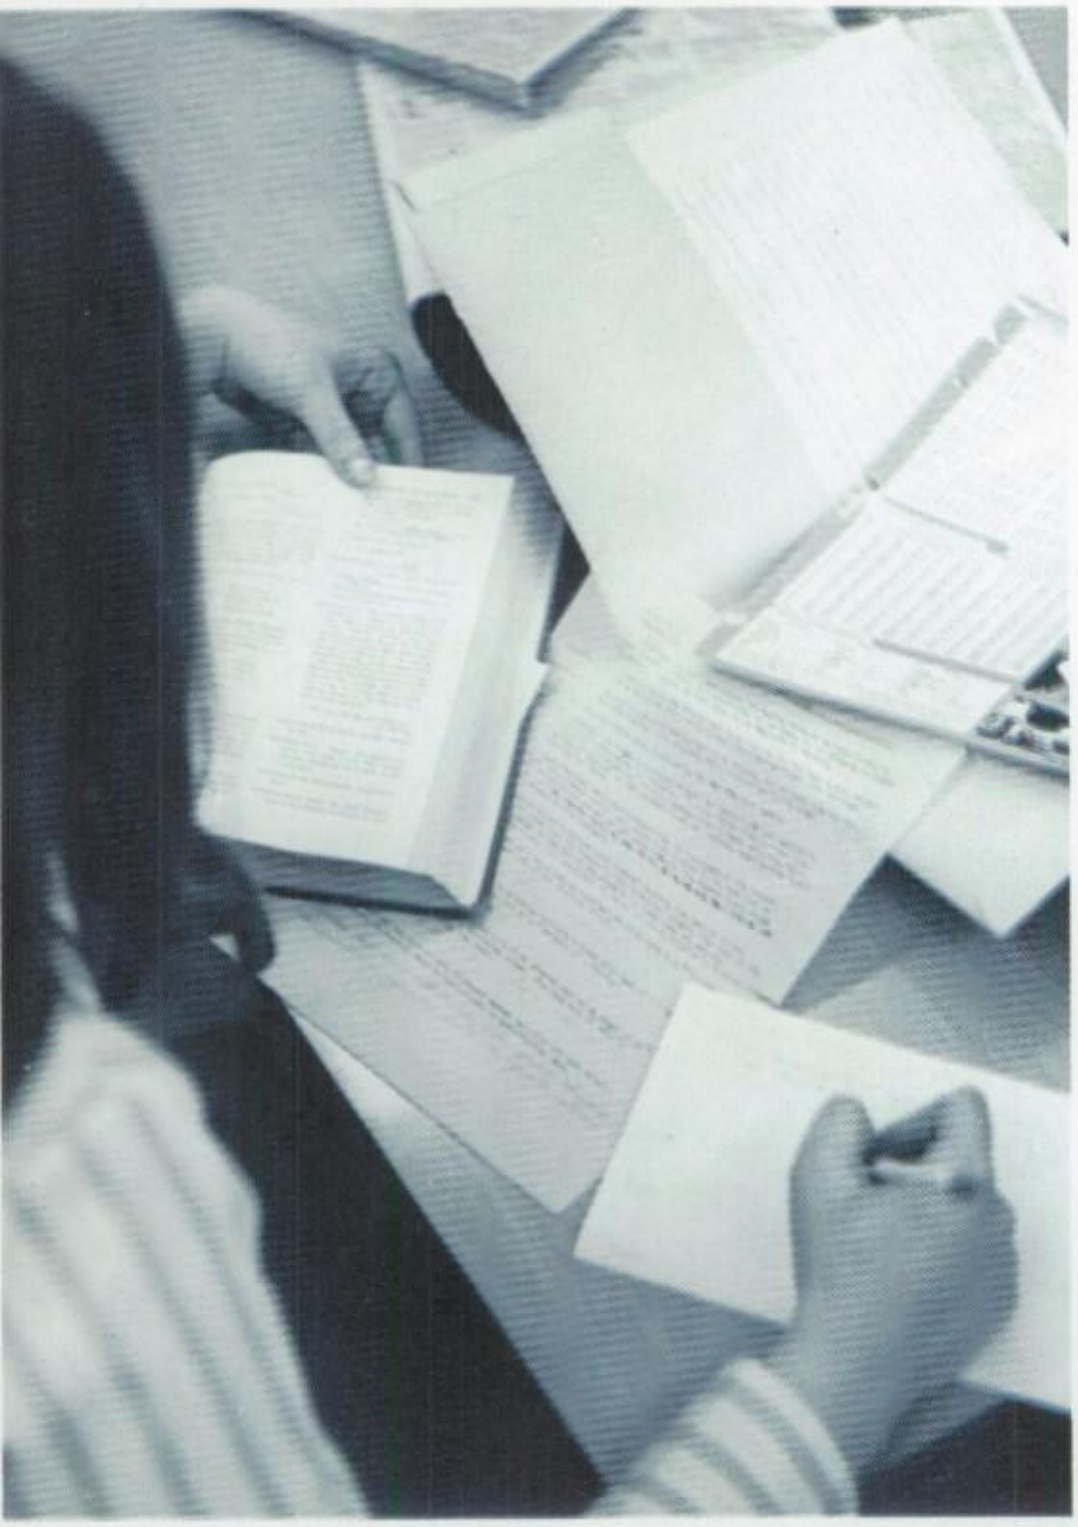
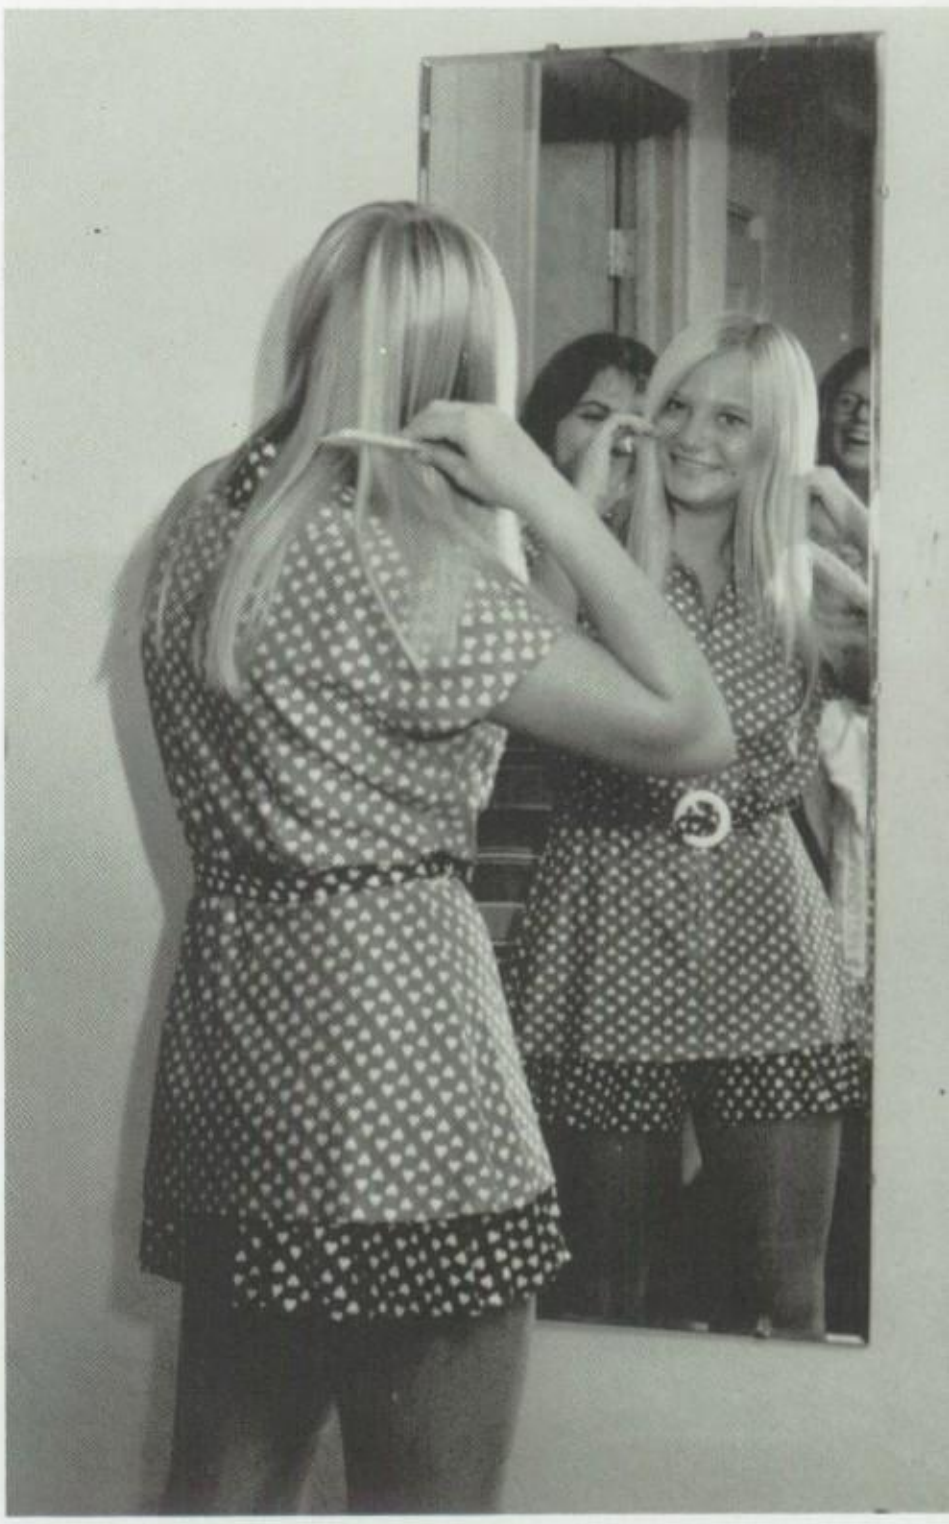
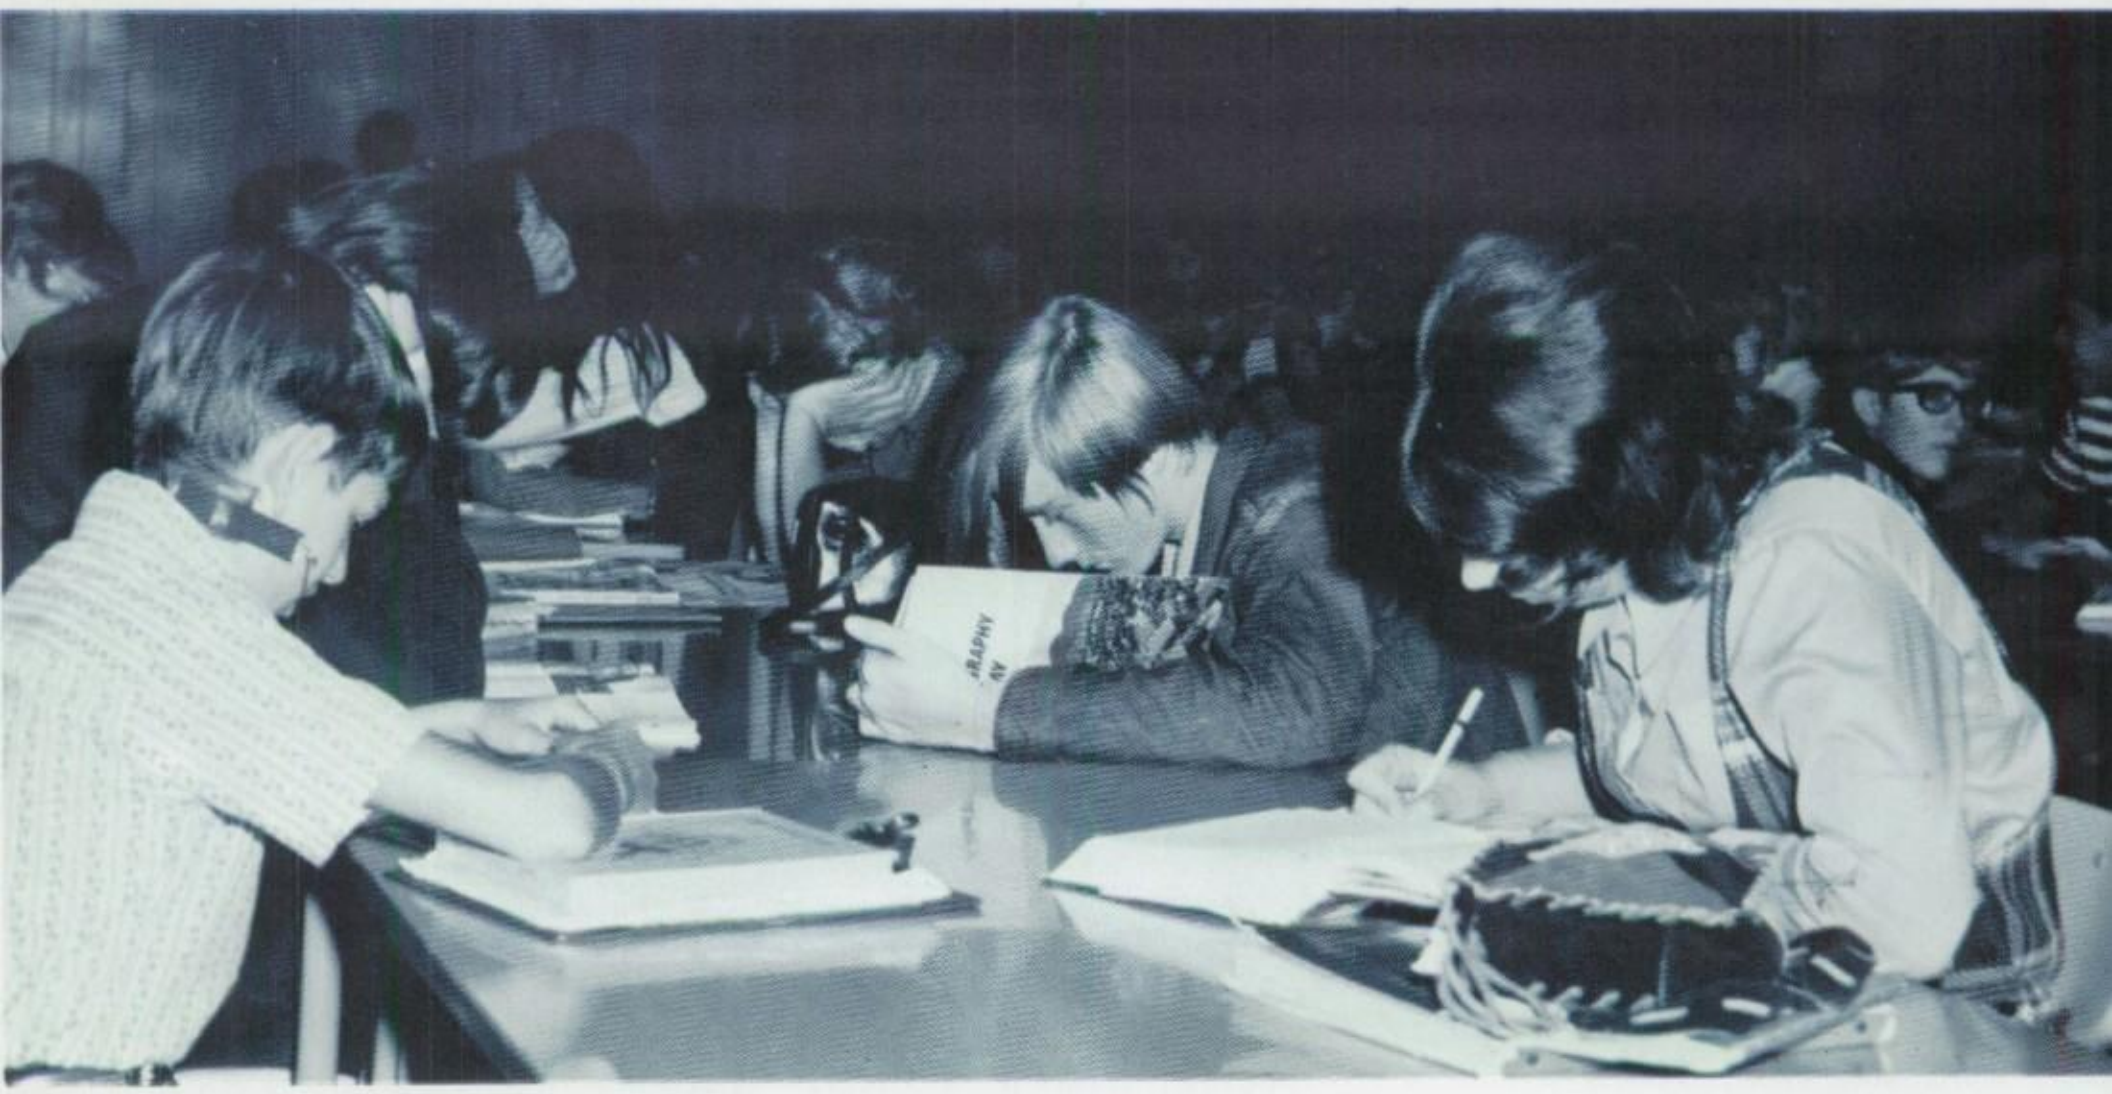
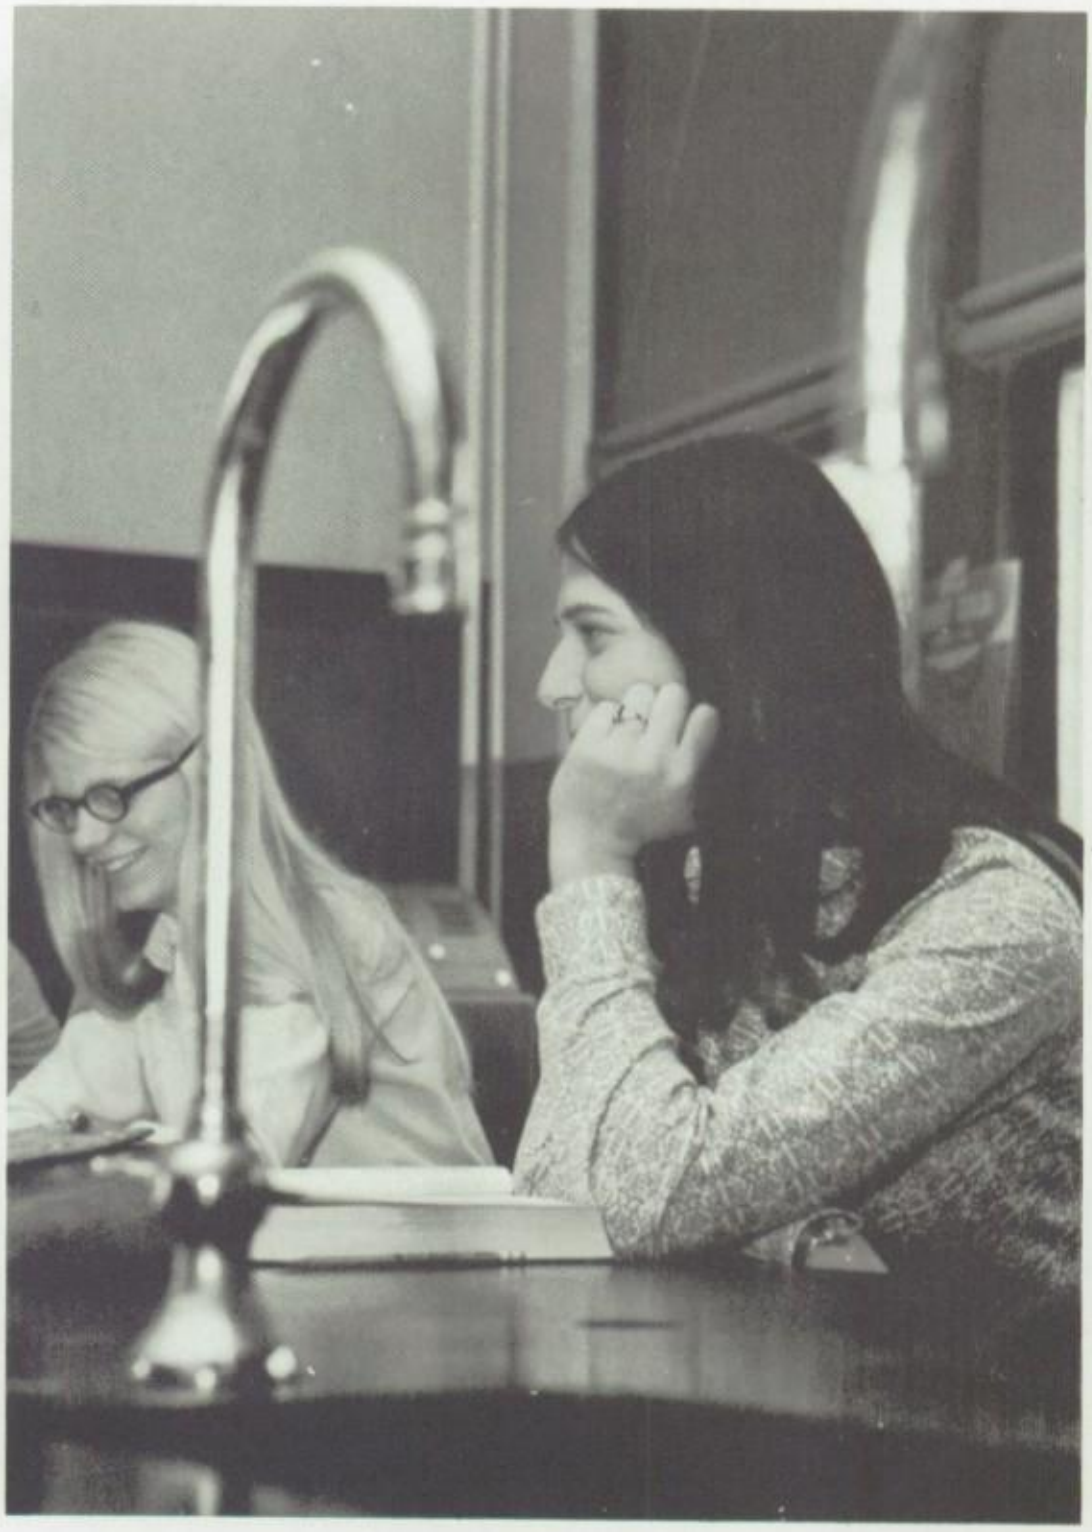
. . . as pace of life increases





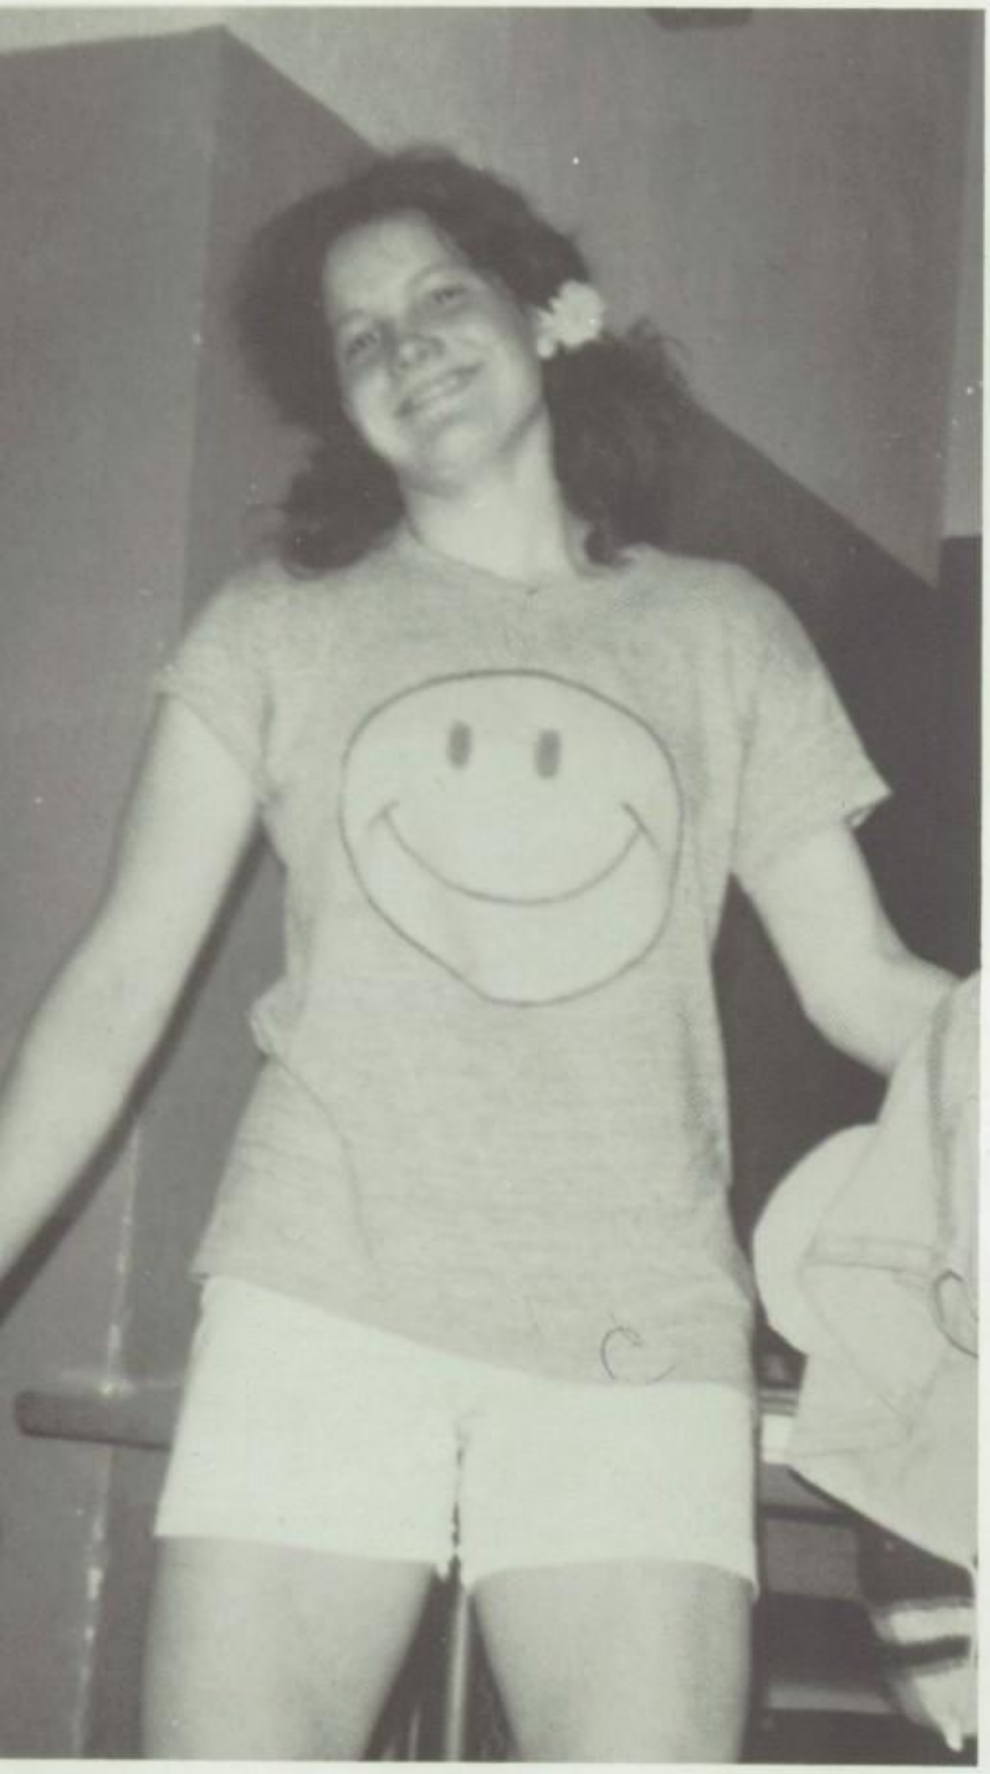


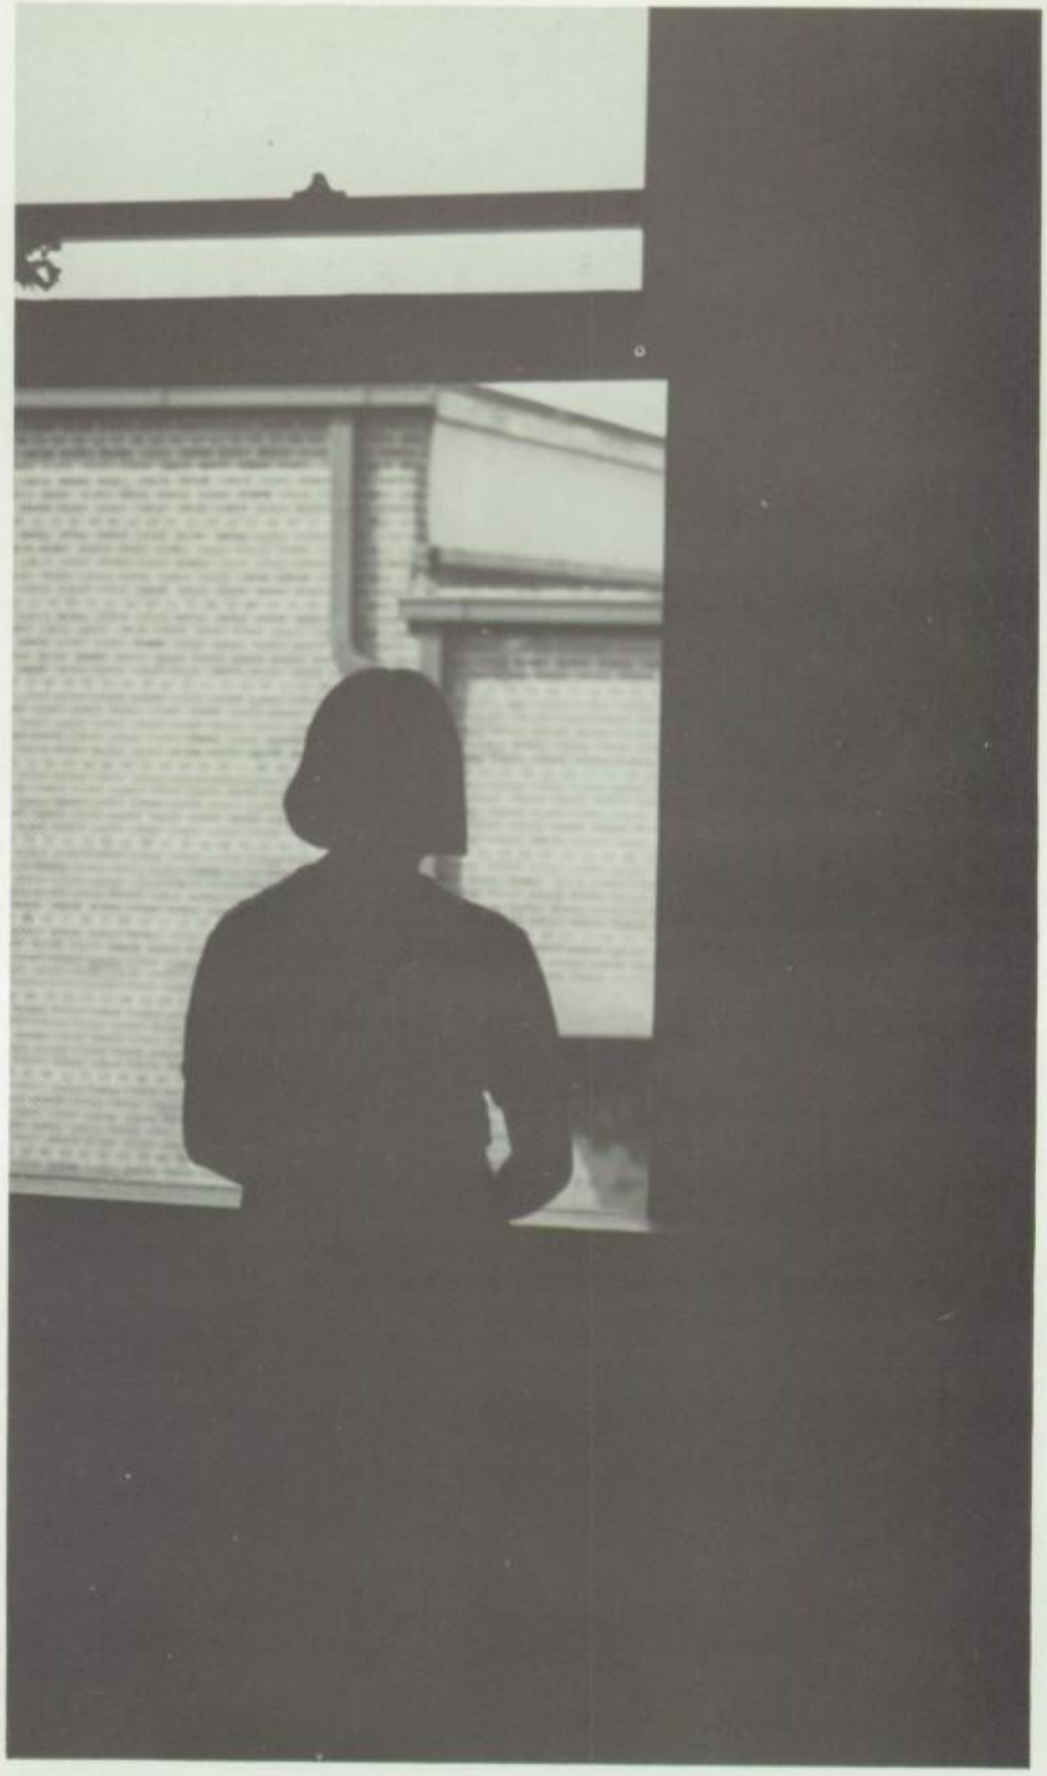
Time becomes increasingly precious . . .



. . . each moment must be treasured

Little things mean a lot . . .





. . . a smile, a moment alone or with friends

Hold fast the time!

There is a time for everything.
A time to accept the advice of another
A time to share secrets with a friend
A time to discover and ponder new knowledge

Hold fast that time!

Administration Strives to Provide Quality Education

Supt. Stanley Shaffer

Exercising the primary responsibility for sustaining sound educational programs, Mr. Stanley Shaffer rarely experiences a dull day. In conjunction with the high level of performance he has demanded of all staff members, the following excerpt was taken from a letter issued by the Secondary Commission and North Central Association of Secondary Schools and Colleges on March 22, 1972. "The school administrators, staff, Board of Education, and community, are commended for careful attention to observance of the Policies and Standards in establishing quality education."

To consider opinions of students, faculty, and parents, and to then make decisions in light of their own degree of knowledge and experience, is a challenging responsibility that every school board member must accept. Growing realms of knowledge and education techniques, demand that they remain flexible to changes in student trends and administrative functions. The resultant actions of this year's school board members, attest to their dedication and sincerity in making our school more relative to the complex patterns of modern education.

Prin. R. D. Rex

No assembly program, athletic event, or graduation ceremony would be complete without the active participation and guiding presence of our principal, Mr. R. D. Rex. Seldom does an activitiy escape his condoning or disapproving observance. Mr. Rex has long realized that maintaining order and discipline is no easy task, but the rapport that exists between the faculty and students is an attribute to his successful efforts.

When business errands bring students and teachers to the high school office, they enter an atmosphere of order and efficiency maintained by our qualified secretary, Nellie Lohse, Class and activity treasurers seek her advice; business personnel keep her busy on the telephone; while the superintendent and principal demand the best of her secretarial skills in coordinating administrative functions. 1972 marks the end of her sixth and final year of service to the faculty and student body of Stryker.

Mrs. Pearl Simmons expresses a warm smile, on and off her daily job. Every morning, she is on duty to sell cafeteria tokens, and then greets the teachers and students again when she collects their tokens at the end of the lunch line.

Qualified Personnel Maintain School

Through the combined efforts of the cooks, custodians, and bus drivers, the learning opportunities and programs offered by our school, were made even more effective.

With the addition of bus number four, the size of the fleet of ever-ready buses was expanded to meet the demands of a growing school enrollment; while the purchase of new freezers and a refrigerator made the cooks responsibility of feeding the student body a little easier.

Involved in a variety of activities were the busy custodians who created an environment of cleanliness, safety, and organization.

BUS DRIVERS: John Garber, Dave Schlosser, Mary Barber, A. L. Wyse, Carlton Schooley, Dave Graber.

COOKS, FIRST ROW: Pauline Bloom, Sally Jaggers, Lucille Short, Doris Schlosser. SECOND ROW: Avis Bernath, Donna Haye, Margaret Gansmiller.

NHS Initiates Use of Honor Lounge

During a few brief candlelight moments of the October 27 induction ceremony, seven excited students were tapped as new members of the National Honor Society. Speaking on the attributes of service, scholarship, leadership, and character were Father Fullencamp, Mr. Ray Tearney, Mr. Darrell Rutherford, and Mrs. Irma Fitzenrider.

In an effort to expand their list of services to the student body - which mainly involved keeping the front-yard bulletin board up to date - the club gained permission to organize an honor lounge which was available to any junior or senior who had been named to the honor roll.

NHS OFFICERS. Bill Bernath, president; Kevin Sigg, vice-president; Jennifer Spielvogel, secretary; Dianne Depew, treasurer.

NEW MEMBERS: Joyce Leupp, Becky Sloan, Elaine Stuckey, Mary Brenner, Anne Wheeler, Shirley Short, Kathy Haye.

Student Council Caught Between Administration and Students

From sponsoring assembly programs to attending board meetings, the student council concerned itself with every aspect of student interest.

Being a member of the Ohio Association of Student Councils enabled the council to send delegates to summer workshops where they encountered problem situations found in a school setting and learned how to deal with them.

In addition to their annual projects and duties, the council attempted to give more students a chance to voice their opinions on current issues through opinion polls, an opinion board, and open forums. Through the Student Council the student body also decided to sponsor an American Indian boy named Bobby Martin.

Drama Club Produces Three One-Act Plays

OFFICERS: Jeff Ruffer, president; Anne Wheeler, vice-president; Mary Brenner, secretary; Rhonda Robinson, treasurer.

Under the new leadership of Miss Eileen Yingling, a revival of interest in dramatics was felt in S.H.S.

The forty members began the year by taking part in acting sessions to improve their stage skills. These sessions covered such areas as comedy, dramatic acting, staging and makeup techniques.

In June three one-act plays, "Which is the Way to Boston," "Ladies of the Tower," and "The Opening of the Door," were given to finish the year of activities for the dionysians.

French Club Enjoys Traditional French Breakfast

Through each monthly meeting "LE CERCLE FRANCAIS" strived to show the many phases of French culture.

For each meeting a committee of five was chosen to plan the program and the refreshments. This helped to make the session more enjoyable and meaningful for all involved.

The highlight of the year was the traditional French breakfast of hot chocolate and French bread. Guest speaker for the breakfast was Jane Raffloer who spoke about her work as a missionary in Africa.

OFFICERS: Kevin Sigg, president; Sue Brown, vice-president; Jennifer Spielvogel, secretary; Dianne Depew, treasurer.

RENCH CLUB. FRONT ROW: Shaffer, M. Graber, Spielvogel, J. Sloan, Nofziger, Bonar, B. Sloan. SECOND ROW: Anderson, S. Sloan, Haye, Brown, Perkins, Juillard, Leichty, D. Beucler. THIRD ROW: Mrs. Depew, dviser; Robinson, Aeschliman, DeGroff, P. Beucler, Preston, Sobieck, Sigg, D. Depew.

Biology Club Members Are Camping Enthusiasts

Camping seems to be the favorite pastime of the Biology Club. Their first outing for the year was an overnight stay at Pokagon State Park in October. In June the club ventured to Old Man's Cave in Hocking County.

To fill in the time between campouts the members held a salad supper. This project supplied the club with extra money to finance future camping trips.

The club was led by President Tom Juillard, Vice-President Kevin Sigg, Secretary Nancy Sanford and Treasurer Kathy Haye.

Visitation Becomes a Big Part of CLC

To develop a deeper appreciation for the values of the Christian Life is the primary goal of all Campus Life Club members.

In an effort to strengthen the bonds between students and their elders, one evening a month was devoted to visiting shut-ins and senior citizens of the community. A Christmas meeting of music, games and refreshments was held in their honor.

Many of the members enjoyed county-sponsored CLC activities as the fall Spook-a-rama, and also participated in a musical which portrayed the life of Christ through music and scripture.

Rod Jolly, Dianne Depew, Peg Leichty, Sharon Frazer and Shirley Sloan were honored as four-year members.

Panthian Presents Year in Review

A sunburst of memories for you. The Panthian staff, working many hours of their free time, has prepared this record of pictures and thoughts of 1972 for you to treasure.

Special work sessions were required of the staff to meet the three deadlines during the year. Picture identification and brainstorming caption ideas kept the students busy even after their senior trip.

In early October the members attended a workshop in Napoleon to learn annual techniques.

With a record number of sponsors, the book for the first time included a bit of color, was expanded to 136 pages, and still sold for $5 per copy.

With dummies and rough drafts piled on every available desk top, and snatches of copy peeking out from among them, the work of the Stryk-Hi staff goes on. Every day of the year the staff members work, their eyes open wide, to mold this "paraphenalia" into the Stryk-Hi.

Blue color in the form of a Panther and the title was introduced on the front page.

Many of the 250 subscriptions were delivered to the grade school; others were sent to several SHS graduates. The bi-weekly publication again continued to follow their motto "for the students, by the students."

Librarians Expand Duties

Always in demand and constantly on the run were this year's team of 14 active librarians. As the list of available magazines, tapes, records, film strips, reference materials and audio-visual aids was enlarged and expanded, the library became even more a center of student enrichment and activity. Always on duty was an efficient librarian to assure that everything ran smoothly - and quietly. As a reward for their service, each member received an award pin and certificate.

Elected to the positions of president, vice-president, and treasurer were Kevin Sigg, Peg Leichty and Anne Wheeler.

GAA Adds Gymnastic Team

Membership in the GAA expanded immensely when the Freshmen were invited to join. Initiation required of the girls humorous athletic skills; including push-ups, rope climbing and agility tests.

As a money-making project, the girls continued to sell programs at the home basketball games. The highlight of the year was the Homecoming Dance, which was arranged by the club and featured "Trip Hammer." OFFICERS: Nancy Sanford, president; Ann Wheeler, vice-president; Rita Stewart, secretary, Biz Strup, treasurer.

FHA Works for Better Family Living

FHA OFFICERS. Shirley Beck, president; Pat Clark, vice-president; Marsha St. John, secretary; Shirley Bernath, treasurer; Tina Rangel, reporter; Teri Haye, historian; Pam Werder, recreation leader; Cheryl King, song leader.

Stryker's Future Homemakers of America chapter, which is affiliated with the National FHA, had a membership of thirty. The club met monthly, oftentimes with guest speakers, to better acquaint themselves with homemaking and other outside areas involving the homemaker.

Gaining much attention and money was the donut sale which netted $300. Orders were taken beforehand, and the home ec. girls made them the week of February 7.

At the annual FFA-FHA Banquet April 11, Shirley Beck, a senior, was awarded the State Homemaker Degree. Several freshman and sophomore girls earned the Junior Degree; five others worked for the higher Chapter Degree. In helping with the State requirements the chapter was honored with the Award of Merit.

Chorus Gives Christmas Concert

No chorus can hope to achieve success without some degree of dedication and hard work; and this year's chorus was no exception. Mr. Johnson's pleadings of "support," "those 'e's' are too bright - try a French 'u'," and watch those head tones," were all a part of a careful program of training and conditioning which evoked the full potential singing ability to each member.

A variety of performances, including several concerts and two pro grams at local churches, proved to be very entertaining, while at the same time prepared the group for District Contest at Maumee where they received a rating of Excellent, and the girls' glee obtained a Superior rating.

Band Sponsors Fruit Sales

BAND COUNCIL: Sharon Frazer, president; Becky Sloan, vice-president; Anne Wheeler, secretary; Shirley Sloan, treasurer; Dianne Depew, Judy Preston, librarians.

This year began on a note of inspiration as returning band members beheld their remodele band room complete with freshly painted blue walls, new instrument shelves, sound-absorbe wall panels, practice rooms, and an office.

With emphasis on precision, expressive dynamics, and harmony, before-and after-school sectionals were scheduled as well as several evening mass-band practices.

Several local performances and an exchange concert with Tinora produced a delighted re sponse from each audience and served as a prelude to the thrilling highlight of the year - Di trict Contest. There, the Panther band united their spirits, talent, and enthusiasm before a panel of three professional adjudicators, and brought home a roster of four straight 1's - in- cluding one in sightreading.

Cheerleading Requires Year Round Involvement, Behind the Scenes Work

The season of 1971-1972 was a year of changes for the cheerleaders. In June the Varsity attended a USCA camp at Walden Woods near Hartland, Michigan. Summer was full of hard work for both J.V. and Varsity squads, for instead of being separated the two squads united. They attended two clinics, one at Cincinnati and one at Liberty Center. At Liberty Center they won a 1st place trophy for a group cheer.

Each worked hard at backing the guys with signs, pep sessions, and painting windows uptown during tournament.

Aggressive Team Effort Captures WCL; Shares BBC Crown

Under new head coach Dan Kline, the varsity basketball team kept the community as well as the student body anxiously awaiting each upcoming ball game. Six returning lettermen provided the basis for the team as Coach Kline worked the boys into a well-rounded defense - conscious unit.

Though not predicted to fair well, the Panther team ended the season with a 13-7 record; winning the Williams County League crown and sharing the Buckeye Border Conference title with North Central, losing only one game in each league.

Starting on the tournament trail Stryker defeated Spencer-Sharples and Fayette to capture the Sectional title and their third trophy for the year. With a victory over North Central, they advanced to the district finals for the first time in five years. The Panthers fought hard against a strong Ayersville team and lost, coming home with the runner-up trophy.

In March Coach Kline was awarded the District 7 title of "Coach of the Year" and Joe Jaggers was named to the District's first team.

Young Cats Impress Opponents

Ken Black says, "Ah, Ref! I didn't do it."

The "Young Cats" came on strong after a shaky start as they had won only 2 out of 5. They bared their teeth and came through with eleven straight victories which contributed greatly to their fine 15-5 record.

With this record they were undefeated in the BBL and tied for first in the WCL.

First-year Coach John Young will have his work cut out for him next year as many of his boys will be moving up to the varsity squad.

While this season's mark of 4 wins and 4 losses left something to be desired, Stryker claimed two league champions in Steve Williams and Kevin Sigg, along with promising performances from a number of underclassmen.

Prospects for next year are again the topic as the 1972 wrestling team lists a squad of 14 with only three seniors and one junior.

The SHS wrestling team finished its seventh year of existence on a note of glory March 3 and 4 at Toledo. Tom Frank, competing at the 141 lb. weight class became the first Panther wrestler to advance to State competition.

"Is the game here?" "No, the diamond is too wet, we're playing there." These words could have been the motto of the '72 baseball team. Playing only one home game provided a district disadvantage for the players as they faced their opponents on foreign ground.

Small Track Team Involves Everyone

Stryker participated in fewer track meets this year due to a lack of opponents and bad weather. With only two graduating, they have a good basis to begin next year. In addition Joe Jaggers set a new school high jump record only to break it and set a higher one.

Cross Country Continues to Win

The Panther Harriers extended last year's winning tradition as they continued to lead the county with a 7-2 record, losing only to Tinora and Fayette. The placed first in Williams County and third in the Buckeye Border Tournament.

Golf Team Enjoys Undefeated Season

With four returning lettermen, Coach Rex's team had a good nucleus for the 1972 season. The team finished with a regular season record of 14-0 and also a second place finish in the Buckeye Border League. Although the team didn't advance to the district in tournament play, they finished 4th, coming within 13 strokes of placing.

Led by student coach Andy VanNortwick, the two bowling teams placed 3rd and 6th in a league of ten teams, which bowled once a week at Archbold Lanes. Stryker also captured two individual awards; Andy VanNortwick had the league's highest game at 282 and Randy Buehrer had the highest total series.

Volleyball Season Enhanced by Spirit as Well as Victory

Each of the Volleyball teams provided many exciting moments for their members. Not only was the season a big success as far as the number of games won, but the team spirit and their willingness to work made this activity rewarding for their leader and team members. Records are Freshman, 3-0; Reserve 5-5; Varsity 6-4.

Small Basketball Team Struggles Through Year of Injuries

Throughout the season during practice and games, spirit was shown by both teams. With the season ended, the Varsity showed 6 wins and 6 losses. Reserves finished with a fine 7-2 record. At Hicksville's Sports Day the Varsity brought home a 3rd place trophy.

In Gymnastics each girl worked individually. District Competition was held at Lima Shawnee in February. As the closest competition was nearly 50 miles away, the girls could only learn from each other.

Spring Sports Enjoy a Short But Sweet Season

Miss Sue Roth coached popular spring sports of track and softball. In track, three girls broke school records, C. DeGroff, 440; B. DeGroff standing long jump, and C. Shaffer, mile. C. DeGroff was the only member to place in Blade Relays, receiving a 5th place ribbon.

The softball team held an undefeated record of 3-0 by defeating Wauseon, Tinora, and Archbold.

Nostalgia of the 1930's Invades SHS

A return to the 1930's and the junior play "Andy Hardy" was staged. Directed by Miss Lana Blythe, the nostalgic presentation was held October 29 and 31.

Andy, home for the summer from prep school, is confronted by his father about his many bills and expenses and told he must find a job.

The complications in such a venture with his free time and love life created an enjoyable comedy.

Costumes, music, and props set very authentic scenes for the first dramatic performance of the junior class.

Mom, Beth Replogle, and Aunt Milly, Becky Sloan, warn son, Craig Preston to WORK FIRST THEN HAVE FUN.

Large Cast of Seniors Presents Comedy

Portraying the hometown comedy that only classic New landers can create, the members of the senior class com- ed their talent in producing "Rally 'Round the Flag, Boys." Presented with the crisis of having an army missile base ced in their quiet conservative village, the proud residents ridgeport, Connecticut, were enraged; but through the ible persuasion of Lieutenant di Maggio, played by Rex Anderson, they soon welcomed the missile base.

If little Danny Bannerman had not decided to set off one of the missiles, army and civilian relations would have remained perfect.

Being held responsible for the accident, di Maggio was sent to Alaska, and later joined by his hometown sweetheart Maggie Larkin, played by Jennifer Spielvogel.

Victory Sparks Homecoming Excitement

Homecoming 1972, held January 8, will forever be a highlight of the 1971-72 school year.

With fashions ranging from hot pants to long dresses, the crowd was full of individuals - united for the evening.

In the spotlight as King and Queen were seniors Deb Huffman and Ter Rupp.

Completing their court were freshmen Deb Grieser and Ivan Phillips; sophomores Cheryl Barnum and Randy Lloyd; juniors Sue Brown and Craig Preston; and seniors Karen Luty and Mark Short.

An added joy to a very memorable evening was the hard-fought victory over the Delta Panthers.

ELEMENTARY

Expanding Programs Broaden Knowledge

With efficiency and thoroughness, Mr. Culler guided Stryker Elementary through another year of shaping the future for young students.

Several new programs were spearheaded by Mr. Culler and his staff of capable teachers. Highlighting the year for the sixth graders was the overnight campout at Harrison Lake with the sixth grade classes of Edgerton. Outdoor classes were attended during the day.

To spark more interest in athletics, intramurals were initiated during the noon hour for grades 5, 6, and 7. A track meet was also conducted in the spring.

More departmentalization was introduced this school year in grades 5 and 6 to improve education in special areas.

Young Performers Display Talent

Under the direction of Mrs. Carol Wagner, Captain Corcoran ran a first-rate British ship with his motley crew of sixth graders aboard the "HMS Pinafore."

After six long months of hard work and patience, this Gilbert and Sullivan comedy became a stage reality. The proceeds were donated to the school's reading program.

This is not the end.
It is not even the
beginning of the end.
It is rather the end
of the beginning.
